

Welcome to Artisan Dental Group!! This letter is to acquaint our new patients with our general office policies to help avoid any misunderstandings. Our responsibilities are to you as our patient. We practice preventive dentistry and stress the importance of regular care to help you in your goal to achieve and maintain excellent dental health.

Insurance Patients: If you have dental insurance, it is your responsibility to bring a completed and signed form with you. We will file insurance claims as a courtesy to our patient. Remember that your insurance contract is between you and your insurer. It is your responsibility to be aware of insurance available for each treatment, any specific clauses stated in your policy, and deductibles and waiting periods. Insured patients should be prepared to pay their co-pay and/or deductible at time of service. If your insurance company pays only part of your bill or rejects your claim, you are financially responsible for the balance and the balance will be due upon receipt of your statement. It is also your responsibility to make sure that we are a listed provider with your insurance company.

Patients with no Insurance: Patients with no insurance are required to pay for their treatment in full at the time of service, unless other prior arrangements are made.

Payment: We honor Visa, MasterCard, Cash and Personal Checks with proper identification. Checks written with insufficient amount will have accounts billed \$50.00 for each bad check. Statements will be sent out on a monthly basis.

Delinquent Accounts: Any fees, such as Attorney's fees, collection agency fees and court costs incurred as a result of overdue accounts will be the patient's complete financial responsibility.

We try to see our patients as promptly as possible. However, there are times when emergencies and/or surgeries may arise causing unavoidable delays.

We ask that our patients please give us at least 48 hour notice when canceling an appointment. These times are reserved for you. Failure to give notice will result in a broken appointment charge.

Our goal is to make your appointment as comfortable, safe and pleasant as possible. If you should have any questions or suggestions, please feel free to discuss them with our doctor and staff.

By signing on the line below I am stating that I have read or have had it read to me and I understand my responsibilities listed in the above policies.

Our Commitment to You

Commitment to treat:

Our office believes that all treatment should be completed. We will deliver the best care that we are capable of delivering and ask that the patient care for their dental health on a daily basis. Incomplete treatment leads to unnecessary problems, complications and advanced disease, which may add cost and breakdown in communication between patient and doctor. We believe that patients want as little dentistry done in their lifetime.

Commitment to Appointment:

Our office will reserve for the patient and give the patient the utmost attention and care. An appointment is a bond of trust that our team will be here to serve the patient and will be on time and prepared for their appointment.

Commitment to Financial Consideration:

We believe that we have a responsibility to use our best professional care, skills and judgment in assisting the patient to achieve their dental health goals. In return for our commitment to our patients we ask that they accept their financial responsibilities.

We look forward to partnering with you.

Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment. All emergency dental services, or any dental services preformed without previous financial arrangements, must be paid for in cash at the time services are preformed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any such collections to the patients account. However, this dental office cannot render services on the assumption that our charges will be paid by the insurance companies. I understand that the fee estimated listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me or at my request, by the doctor, I agree to pay therefore the value of said services to said doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the value of said services shall be as billed unless objected to by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or work to discuss matters related to this form. I have read the above conditions of treatment and payment and agree to their content.
